The below message was sent to students upon distribution of the block grants:

As part of the American Rescue Plan Act, Mansfield University received a third allocation of Higher Education Emergency Relief Funds to be distributed to students as grants to assist with their cost of attendance, with priority given to students with demonstrated need. We utilized the Expected Family Contribution (EFC) from the student's 2021-22 FAFSA to determine the individual grant amount.

Based on your EFC, you were awarded a \$XXXX grant.

The funds will disburse on Wednesday, September 15th. If you are signed up for direct deposit the funds should deposit into your account within 3-5 business days from disbursement. If you are not signed up for direct deposit a check will be mailed to your address on file.

Mansfield University intends to reserve a portion of our HEERF III/ARP allocation to distribute to students in the spring term. The distribution methodology for the spring term will be determined at a later date.
