AUDIT OF COURSE

A student interested in auditing a course (attending class, but receiving no grade or credits) must submit the Audit Form before the end of the Add Period (first seven calendar days of the semester). The class instructor must grant permission for any student to audit a course. Not all courses are available for audit. Courses with high degrees of specialized equipment, and one-on-one faculty-student interaction (such as science labs, art studios, music lessons, online courses, etc.) are generally not open to audit.
