CREDIT BY EXAMINATION

A student in good academic standing may request permission to take a comprehensive examination in a particular course offered by the University.

Courses in the areas of independent study, ensemble, or other group participation courses, student teaching or pre-professional experience, seminars or selected topics, and laboratory experience are not included unless special permission is provided by the department offering the course and the Office of the Provost/Vice President for Academic Affairs. Students will obtain permission and complete arrangements for Credit by Examination within the first two weeks of the semester. Except under unusual circumstances, the examination must be taken during the first four (4) weeks of the semester.

All requests for Credit by Examination must be made to the department chairperson involved and approved by the Office of the Provost/Vice President for Academic Affairs. The student must present evidence that he/she is sufficiently competent to warrant the examination. Credit by Examination may not be used as a method to repeat a course where unsatisfactory performance previously occurred.

When a course is passed by examination, credit is earned and the notation “EX” is recorded on the student’s permanent record. A letter grade and quality points are not received. If the student fails the exam, there is no notation on the record. However, since a filed examination may not be attempted a second time, a record of all examinations attempted is kept in the student's file until graduation.

A student desiring to earn credit by examination must adhere to the following procedure:

1. The student contacts the department chairperson of the department which offers the course they wish to take credit by examination.

2. Complete the form and obtain the signature of:
   a. The Course Professor
   b. The Department Chairperson

3. Pay the Credit by Examination fee which is one-third (1/3) of the undergraduate fee per credit, (subject to change) at the Enrollment Services (Student Accts.), 224 South Hall.

4. Submit the form and the receipt to the Office of the Provost/Vice President for Academic Affairs, North Hall, Room 508.

5. The course professor schedules the examination, and later notifies the Office of the Provost/Vice President for Academic Affairs if the student passed or failed.

6. The Permission to Earn Credit by Examination form, and the fee receipt are forwarded to the Enrollment Services (Registrar’s Office) by the Office of the Provost/Vice President for Academic Affairs.

7. The "EX" is recorded on the student's permanent record if the examination was passed. If a failing score was received, a notation that the examination was attempted is entered in the student's file and kept there until graduation.
